

DELIVERING AN EFFECTIVE PRESENTATION

Presentations are part of business life. Whether it's an internal team meeting, a client presentation or a pitch for new business, we require the ability to present our ideas with impact.

At Coretex Group, we use our understanding of psychology to help leaders and employees develop high impact presentation skills. Our training workshops focus on the mindsets and skill sets needed to plan and deliver effective presentations.

THE PROGRAMS WE RUN HAVE BEEN DESIGNED TO DEVELOP SKILLS AND CONFIDENCE IN THE FOLLOWING AREAS:

- » Creating a compelling and memorable presentation structure
- » Knowing and adapting to your audience
- » Using verbal and non-verbal techniques to connect, engage and inspire
- » Managing your personal and audience energy
- » Tips and tricks for managing presentation anxiety
- » Using practice and reflection for ongoing improvement

THE CORETEX APPROACH TO FACILITATION

- 1 Interactive, engaging and high energy facilitation.
- 2 Tailored to a range of learning styles to increase understanding, participation and application of learning.
- 3 Delivery of practical tools and techniques integrated into day-to-day thinking and action.
- 4 Scientific-based approaches that are balanced with experience and practical application.
- 5 Focus on real business challenges and opportunities.
